

NAVY COLLEGE NEWS

JANUARY 2004

SPRING II SEMESTER 2004 REGISTRATION ON-GOING

Begin now to plan for the spring semester so you can register for courses that best fit your schedule. All tuition assistance and graduate education voucher forms must be completed before the beginning of the semester. Registration is now open and continuous at all on-base schools through the class convening dates. Course schedules are available at your Navy College Office. Both accelerated (7-8 week) and regular (10-15 week) semester term lengths are available at the on-base educational institutions. The seven schools operating on the base have representatives available on a daily basis for your assistance in planning your registration for courses that best fit your schedule and meet your degree requirements.

Let Navy College pull together all credits earned in Navy schools, Navy rating experience, previous college credit, and CLEP/DANTES Examination Program to make your educational goals attainable.

ON-BASE COLLEGES AND UNIVERSITIES

The following off-duty education programs are presently being offered at Naval Support Activity Mid-South:

- *Crichton College - Bachelor of Science Degree in Organizational Management*
- *Park University - Associate of Science Degree in Management, Associate of Science, Bachelor of Science Degree in Management, Management/Computer Information Systems and Management/Human Resources*
- *Southwest Tennessee Community College – Associate of Applied Science Degree in Mid-Management Technology*
- *Southern Illinois University at Carbondale - Bachelor of Science Degree in Industrial Technology and Health Care Management*
- *University of Arkansas at Fayetteville - Master of Science in Operations Management*

- *University of Memphis – Bachelor of Professional Studies in Organizational Leadership; Required courses leading to the Master of Business Administration; Master of Public Administration and Doctor of Education in Higher Education and Leadership*
- *Webster University - Master of Business Administration, Master of Arts in Human Resource Management and Master of Arts in Computer Resources and Information Management*

ADDITION OF OTHER FUNDED COURSES TO SMART

A new feature has been added to the SMART Transcript. It is now possible for active duty Sailors, veterans, and retirees to have courses that were taken on active duty but not funded by TA or NCPACE placed on the SMART Transcript. There are two ways this process will work:

- *The Sailor brings an official transcript or course grade report to your Navy College Office. The NCO staff certifies it to be a true copy and faxes it to the Navy College Center.*
- *The Sailor obtains an official transcript or course grade report, has it certified or notarized, and mails it to the Navy College Center, NETPDTC N2A5, 6490 Saufley Field Road, Pensacola, FL 32509-5204.*

It is recommended that this new capability be utilized so that your SMART Transcript can be updated to reflect all the courses you have taken on active duty.

Remember, this process does not apply to courses taken prior to active duty.

For additional information on this new feature, contact your local Navy College Office.

DISTANCE LEARNING EXECUTIVE MBA PROGRAM - NAVAL POSTGRADUATE SCHOOL

- *The Naval Postgraduate School (NPS) EMBA is a 24-month, part-time program that has a financial management and acquisition focus.*
- *The program is targeted for mid to senior grade active duty unrestricted line (URL) officers (04 and 05, senior 03's by exception) unable to attend NPS residential graduate programs.*
- *The NPS EMBA provides a top quality graduate education that stresses an interdisciplinary approach to problem solving and policy analysis.*
- *Program graduates will receive an EMBA from NPS and a general resource and acquisition management, 3100P, subspecialty code.*
- *Eligibility requirements include an undergraduate degree from an accredited four-year college or university, an academic profile code of 245 (2.6 or greater GPA), department head or mid-level management experience, strong potential for*

promotion and full command support. Priority will be given to officers who do not already have a graduate degree funded using DOD assistance.

- *The application deadline is 13 February 2004 for classes starting the week of 29 March.*

For additional information on this program, interested officers should visit www.EMBA.NPS.NAVY.MIL or e-mail EMBA@NPS.NAVY.MIL.

TESTING FOR COLLEGE CREDIT

Looking for free college credit - College Level Examination Program (CLEP), Defense Activity for Non-Traditional Education Support (DANTES) and Excelsior College Exams (ECE) are free testing programs for active duty military personnel and drilling reservists. Preparation material for these tests is available at your local library, any good bookstore and market place that sells books and magazines.

Check with the school you wish to get the college credit from to find out which tests they except toward your degree program. For specific test information, contact your local Navy College Office.

All tests are administered each Wednesday in Bldg. S-241, room 101 at 0800 and 1300. Military family members and civilians are eligible to test for a fee.

DANTES NOW FUNDS THE PRINCIPLES OF LEARNING AND TEACHING PRAXIS EXAM

Effective January 2004, DANTES is authorizing the funding of the Principles of Learning and Teaching (PLT) Praxis examinations.

For funding purposes, DANTES treats each of the four individual PLT examinations as Praxis "Specialty Area Tests" and authorizes only one DANTES-funded "Specialty Area Test" per individual, per lifetime at a DANTES Test Center. The examinee is responsible for paying the \$35 registration fee per test date.

CLEP RECALL EFFECTIVE 31 JANUARY

Effective 31 January 2004, the following six CLEP test titles will no longer be available at paper-based test sites:

- *CLEP General - Social Science and History*
- *Analyzing & Interpreting Literature*
- *College Algebra*
- *Introductory Psychology*
- *Principles of Management*
- *Freshman College Composition*

CLEP RECALL EFFECTIVE 31 MARCH

Effective 31 March 2004, the following CLEP test titles will no longer be available at paper-based test sites:

CLEP Subject

American Literature

College Algebra

English Literature

Principles of Macroeconomics

Principles of Microeconomics

College Level French Language

Introduction to Educational Psychology

Plan ahead if these tests can be applied to your degree program requirements. Call 874-5290 for test information.

CRICHTON COLLEGE

Crichton College is the Mid-south's premier Christian Liberal Arts College with a Center located at Navy College. You can earn a B.S. Degree in Organizational Management while on shore duty. Classes meet only one night. Courses include Management and Leadership, Communications, Marketing, Business Ethics, and Strategic Management.

Call now for an evaluation of your prior college and military credit. This program caters to working adults who have limited time to attend classes. Call Joanna Simonton, Center Director at 873-0794, or visit Bldg. S-241, Room 126 to find out more about this program.

UNIVERSITY OF ARKANSAS

Are you looking to get a Masters Degree? Would you like to get that Masters Degree in just One Year? Do you want that Masters Degree to have a quality name behind it? If you answered yes to these questions then the University of Arkansas has the degree for you. The University of Arkansas at Naval Support Activity Mid-South offers the Master of Science in Operations Management degree.

What is Operations Management? *Operations Management emphasizes general and specific management and human resources operations of manufacturing and logistics, not marketing and commerce, as does the MBA. The OMGT degree prepares you to manage the processes in an organization that makes products and/or services.*

Highlights of the program:

- ◆ *Only 10 courses – 1 required + 9 electives*

- ◆ *Degree can be completed in One Year*
- ◆ *Five 8-week terms per year – you can start any term*
- ◆ *All classes offered on base in the evenings*
- ◆ *No application fee*
- ◆ *No thesis*

Along with the Master's degree, you can earn a certificate without taking extra courses. The four certification areas are:

- *Business Management*
- *Human Resource Management*
- *Industrial Management*
- *Safety and Health Care Management*

*For more information check out our website: www.opnsmgmt.uark.edu
Or contact Cheri Warren, Program Representative at 872-2280 or uafgrad2@bigriver.net.*
